BAE Systems awards Loc Performance Products, LLC Subcontracts Supplier of the Year at its third annual 'Partner2Win' Symposium

Loc Performance Among More Than 20 Award Recipients Recognized at the Annual 'Partner2Win' Supplier Awards Ceremony

Plymouth, MI – December 21, 2021 – Loc Performance Products, LLC today announced it received a BAE Systems Partner2Win Supplier of the Year Award for Subcontracts based on exceptional performance and contributions to supply chain success in 2021 for BAE Systems' Combat Mission Systems business.

BAE Systems' Partner2Win is a global program designed to achieve operational excellence and eliminate defects in its supply chain by raising the bar of performance expectations to meet the demand of current and future customers. As part of the program, BAE Systems meets regularly with its suppliers at their locations to transfer best practices to ensure that the components and materials that compose BAE Systems products meet the highest quality standards.

"Our suppliers have overcome many challenges posed by the COVID pandemic to sustain deliveries of our products to Army, Marines, and Navy customers," said Andy Corea, vice president and general manager of BAE Systems' Combat Mission Systems business. "By partnering with the highest performing suppliers - including Loc Performance - in the industry, we have and will continue to exceed our customers' expectations."

In addition to the Subcontracts Supplier of the Year Award, Loc Performance also received BAE Systems Partner2Win Gold Medallion Awards for its operating facilities Loc Lapeer, MI and Loc St. Marys, OH.
